

Capacity Market Credit Cover Default Register

Date: 26/02/2020

Issued in accordance with The Electricity Capacity Regulation 47

This register contains details of Suppliers who have entered Stage 1 or Stage 2 Credit Cover default. Suppliers who subsequently lodge Credit Cover whilst in Stage 1 default will be removed from the register. Suppliers who enter Stage 2 default will remain on the register up to 295 Working Days following the end of the relevant Delivery Year.
