

ELEXON cyber attack

Issued 15 May 2020

Dear Stakeholder,

The Low Carbon Contracts Company (LCCC) was informed by EMRS that ELEXON was victim of a ransomware attack to their internal systems on Thursday 14th May 2020.

LCCC's CfD and CM settlement services, delivered by EMRS are unaffected. We can confirm that the daily processes have been completed for today (Friday 15th May 2020) and have not been impacted.

You may be experiencing a slower service from EMRS service desk during this time however, they will endeavour to respond to any queries within five working days.

Should you have further questions about accessing the system, please contact contact@EMRsettlement.co.uk.

Updates will also be available on the EMRS website – <https://www.emrsettlement.co.uk/>

Should the situation change, we will provide further updates accordingly.

Our Bulletins

You are receiving this bulletin because you have given consent to receive Electricity Supplier, Capacity Market and/or Contracts for Difference (CfD) Bulletins from LCCC/ESC. To receive our Corporate Bulletin and news and updates on our events please email: info@lowcarboncontracts.uk. To unsubscribe from any of our communications, please email us at the same address.

Kind regards,

Low Carbon Contracts Company and Electricity Settlements Company
