## New portal for Allocation Round 3

Following Claire Perry's announcement of the budget for the third CfD allocation round, we are pleased to be launching on behalf of BEIS, EMR Delivery Body, LCCC and Ofgem, a **new portal for CFD Allocation Round 3**. This initiative seeks to address feedback from previous rounds about having to search multiple delivery partner sites for the necessary information about the Allocation Rounds.

**The new CFD Allocation Round 3 portal is a joint initiative across BEIS and the CFD Delivery Partners to provide:**

- **Single source** – Links to all information from BEIS, LCCC, EMR Delivery Body and Ofgem required to enter the Allocation Round.
- **Timely notifications** – you can sign up to receive an email each time new information about the Allocation Round is made available by any of the delivery partners.
- **Joint Query Management** – if you can't find what you are looking for on the site or in the FAQs, you can submit queries via the site and we will work together to either improve the information on the site or provide you with a single answer to any project-specific queries.

Visit the AR3 Portal now: <https://www.cfdallocationround.uk/>

### **Publication of the Supply Chain Plan Guidance**

The Department for Business, Energy and Industrial Strategy (BEIS) has now published the Supply Chain Plan Guidance. To read more about this, please visit the News page of the AR3 Portal: <https://www.cfdallocationround.uk/announcements> where you can also sign up to receive notifications of future publications by BEIS and CFD Delivery Partners.
